By submitting this application you agree that the information submitted will be entered into the CommuteInfo regional rideshare database. Matches are made via computer and based on proximity of home and work or school site addresses and work or school schedules. If you have agreed to be matched with potential rideshare partners, they will receive a letter with your contact information, but without your home phone (unless you prefer to be called at home) or street number. Your information will not be provided to a marketing company but may be shared with a vanpool leasing company for the purposes of vanpool formation. Participation in a carpool or vanpool program is an individual decision. Ridesharers are completely responsible for the operation of their carpools or participation in vanpools. CommuteInfo and the Southwestern Pennsylvania Commission, shall have no responsibility or liability for any claims, expenses, or damages resulting from any individual's participation in a carpool, vanpool, or other ridesharing program.

Return the completed form to the CommuteInfo office via fax, 412-391-7161 or by mail:
