CommuteInfo *Connections* - December 2011

Thank You for Your Support

Dear Friends,

Thank you for the support you have shown for CommuteInfo in 2011. It is because this support that we are able to continue to help commuters in the region find alternatives to driving alone to work or school. We look forward to continuing to work with all of you during the upcoming new year!

Sincerely,

The CommuteInfo Staff

CommuteInfo to Welcome 8 New Vanpool Groups!

What better way to kick off the upcoming year than to announce that CommuteInfo will be adding eight new vanpool groups in early 2012! These groups will be commuting to the Cranberry area from various cities within our region. With the addition of these groups, there will now be over 50 CommuteInfo vanpools operating in southwestern Pennsylvania.

Check out the latest edition of CommuteInfo's Choice E-newsletter, which provides additional details regarding CommuteInfo vanpool growth in the region:

Looking Forward to 2012

We look forward to continue to raise awareness about alternative commuting options during the new year. If you have any special events or outreach opportunities that you would like CommuteInfo to be a part of,

please let us know!

Thanks again for a great year!

The CommuteInfo program is designed to increase the number of people who travel to work or school by riding transit, carpooling, vanpooling, or bikepooling.
