Goodbye to Dani

Many of you have had an opportunity to work with Dani Stump over the past year. She led many outreach efforts, and helped many commuters find out about their commuting options.

Dani says, "It was not an easy decision to make to leave CommuteInfo, but I was given the opportunity to take a position at Junior Achievement working in the science education field."

We wish Dani the best in her new role and thank her for her contributions while part of the CommuteInfo team.
