Back to School!

Fall classes will be starting soon for students all across the region. Choosing a major might be hard, but commuting to and from campus doesn't have to be! Did you know CommuteInfo can assist students when looking for ways to commute to school?

CommuteInfo works to ensure that commuters in all ten counties of Southwestern PA know their transportation options! If you or someone you know is starting school soon, let them know they can register with CommuteInfo for their Commute Options Report. [Registration](#) is easy and takes only five minutes. Call 1-888-819-6110 or visit our [website](#) to register today!

Transportation 101

[Transportation 101](#) is a training session for regional human service agency staff as well as local employers who are interested in learning more about the transportation options in their area.

This half day session includes an overview of commuting options (transit, vanpool, carpool, biking, and walking). Local transit operator(s) review their services and when possible, offer a ride on one of the transit vehicles.

Our next Transportation 101 session will be held September 8th at [Mid Mon Valley Transit](#) in two sessions. The first session will focus on seniors and job seekers and the second will focus on college students. If you are interested in this

event, future events, or hosting your own, please contact us at 1-888-819-6110 or by [email](#) for registration details.
