

CommuteInfo Connections - August 2012

CommuteInfo Works for Back to School Commuting!

With back to school season in full swing, it's a great time to remember that CommuteInfo services are made freely available to college and vocational students regularly commuting to school in southwestern Pennsylvania.

The best place for students to connect with transit operators, browse a list of area park-n-ride facilities, and check our vanpool and carpool listings is www.CommuteInfo.org.

Many students in our region are already utilizing CommuteInfo carpools and vanpools to commute regularly to school. Help us get the word out by letting students know, CommuteInfo services are available to them.
