CommuteInfo Connections - November 2015

You're Invited!

CommuteInfo Regional Partner Meeting

Each quarter, the SPC's CommuteInfo Program staff facilitates the forum for coordinating regional ridesharing efforts. The CommuteInfo Regional Partner Meetings are a chance for different organizations to come together, learn more about commuting options and commuting resources available in Southwestern PA.

Attendees include transit operators, transportation management associations, employment support programs, employers, and human service organizations. Meetings typically include a CommuteInfo Program update, a chance for all participants to update the group, a presentation, and a time to mingle during lunch!

The next CommuteInfo Regional Partner Meeting is Thursday, November 5th from 10:00am-Noon. The featured presentation will be on the history of carsharing in the region.

If you would like to join us, simply email Lisa Kay Schweyer at lschweyer@spcregion.org to be added to the list!

Happy Historic Bridge Awareness **Month!**

Does your commute include a historic bridge? Take some time this November to explore the history of the bridges that connect our region!

November

Celebrate every day!

Life is full of quirky holidays. Celebrate with us on our [Facebook Page](#). From Name Your Car Day to Historic Bridge Awareness Month, these quirky holidays help us to remember to laugh, to look around, and to learn more about the people and places we see along the way. Check 'em out during your commute (and then tell your carpool/vanpool/bus driver)!

Outreach & Events

If you are interested in having CommuteInfo at your community/employee event or meeting, or if you would like additional information, please contact us at commuteinfo@spcregion.org.

Operating a customer-focused full service commuting options resource center, running the region's vanpool and carpool programs, and facilitating the forum for coordinating regional ridesharing efforts--SPC's CommuteInfo Program is the regional one stop shop for ridesharing services.
