CommuteInfo Connections - September 2015

Back to School!

We talk a lot about getting to *work* at [CommuteInfo](#), but did you know that students can utilize CommuteInfo as well?

These days, more and more students are living off campus and commuting to many of the schools in Southwestern Pennsylvania. Sharing the ride to school means not only saving money on gas and parking, but it's a great chance to sneak in a little extra study-time into the day. (Or a nap... Probably a nap.)

The process is the same for students. Those interested in shared rides can simply visit our [website](#) to [register](#) or call 1-888-819-6110.

After entering their information, they will be sent their **free matching report** listing classmates and other commuters who want to share the ride.

Just give those matches a call or email and in no time, they'll not only have a potential new study buddy, but a commuting buddy as well!

Exciting Upcoming Event:

Allegheny Green + Innovation Festival

CommuteInfo is excited to again get a chance to spread the word about the benefits of ridesharing at the [Allegheny Green + Innovation Festival \(AGIF\)](#).

The Festival is a free, sustainable living festival held each September at the [Hartwood Acres Park Amphitheater](#). Along with CommuteInfo, the festival features numerous local exhibitors, food and craft vendors, and other non-profit organizations.

At the Festival, learn how to reduce your carbon footprint and green your community! Don't forget to stop by our booth to learn more about carpooling and vanpooling. We'll be located close to other transportation-oriented organizations!
